News!

What will we be doing this month?

We hope everyone has a wonderful, relaxing, and safe break! When we come back in January, a lot will be going on! We start our next unit of Starfall, which focuses on animals! Each week, we will be focusing on a specific type of animal: pets, on the farm, in the wild, and in the air and sea! Through these themes, we will learn what living things need to survive, the parts of an animal and how babies are similar and different from their parents. We will also focus on counting 1-15, ABAB patterns, measuring length and weight, measuring tools, what solids and liquids are, the position of objects, and begin to identify numerals.

We will also continue to learn a new letter a week and review what we already have learned! In January, we will learn Ee, Mm, Ff, and Dd, as well as, review Aa, Bb, Cc, Ll, Nn, Pp, Rr, Ss, and Tt.

We will begin to take our Winter PALS when we come back from break as an informal look at how we have grown so far this year.
